2010 HELP FORM

Please complete this form in order for your membership to be accepted. It is a compulsory part of your membership that you help twice a year. It does not have to be a full day. Half days are acceptable. **We will need you to commit to one of these dates being on an actual show day.** We do not mind you substituting a family member or friend to help on your behalf. We ran 14 events last year so I am sure you can appreciate this needs a lot of help. Thank you to all who helped during 2009.
