IMPORTANT INFORMATION

In order for us to continue to run our shows we have had to make it a condition of membership that all members must help at least twice throughout the year. If you are a junior then please could your parents help. This need only be for half a day on show days or help in setting up the shows the day before. Could you please therefore enter four dates on the help form enclosed when you are available, two early on in the season and two later. Please refer to the help form for more information on how to complete the form successfully. Please then return the help form with your membership form. Thank you
